

Green Screen Project Planner

What is your project's topic?	What type of green screen project are you planning? (Ex. movie, photo book, story book)
Who is your audience?	
What question(s) should your audience be able to answer when they finish interacting with your product?	
What does your audience already know about this topic?	What information do you need to include in your project to help your audience answer your question(s)?
Credits - These are your information sources.
